Word search..... 15

A message for you..... 16

INTRODUCTION

WELCOME, LEADERS OF CHANGE!

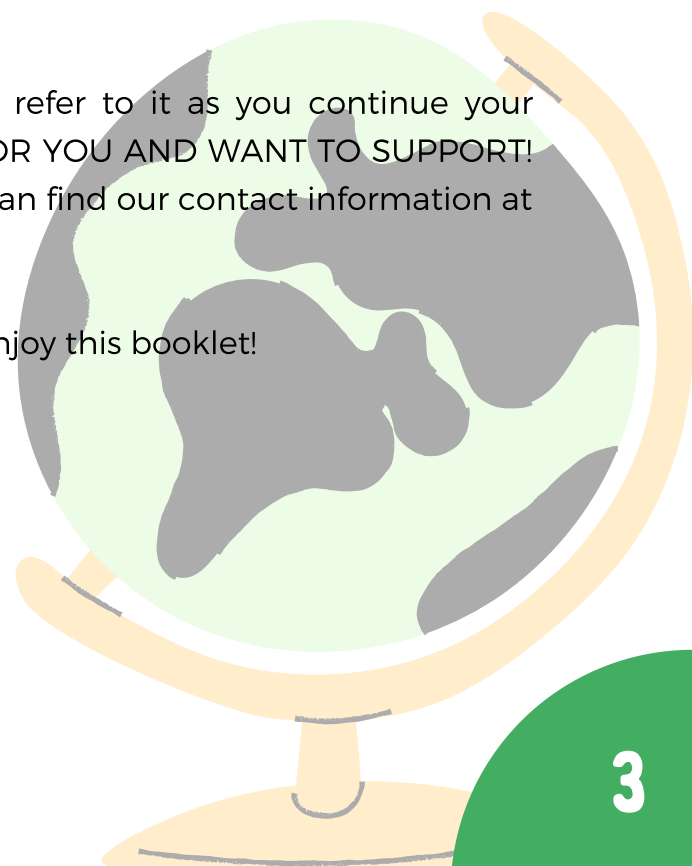

Welcome to the Leaders of Change booklet by Project Power Global (PPG). My name is Arissa and I am the founder and CEO of PPG an international organization connecting the world through education. First of all, I want to say how happy I am that we were able to meet you. The entire PPG team is made up of students like yourselves from all over the world and we are very grateful to be able to share some of our stories/ tips/ tricks with all of you about the topic of leadership. Just like education, having strong leadership skills is crucial in the world, and can help pivot paths. Starting this organization was a way for me to practice my leadership skills and I look forward to seeing all the amazing things YOU will create.

Throughout this little booklet, you will get to explore six key topics that my co-writers and I think is most important when learning about leadership. From organization to mindset, and taking chances, you will get to learn it all. The main lesson we hope you get out of this though is knowing you have power, you have worth, and you can be whoever you want to be! Your dreams are worth fighting for. No matter who you are, you can be a Leader of Change and you can make a difference. Even just in your communities. Remember, small actions added up, equals big change.

We encourage you to keep this booklet and refer to it as you continue your journeys. And one last thing. **WE ARE HERE FOR YOU AND WANT TO SUPPORT!** If you are in need, please reach out to us. You can find our contact information at the back of the booklet.

Good luck with everything, and we hope you enjoy this booklet!

Best,
Arissa- On behalf of the entire PPG team.
